## Draw from Your Own Life!

Writing stories inspired by your own experiences can be a lot of fun. Here are some tips from Jennifer L. Holm and Matthew Holm, the co-creators of *Sunny Side Up*, on how to craft your own story.

Photo: Studio St. James

Photo: Todd Rafalovic

### SETTING

Sunny goes to visit Gramps in Florida at Pine Palms on pages 12-13 and finds the retirement community very different from Pennsylvania. Where would you want your setting to be? How would you describe it so that readers would get a sense of place?

### PERSONALITY

Buzz's passion for comics helps to define his personality. What are some elements that would help define your personality? Is there an activity you love? A book? A television series?

### CHARACTERS

The scene on page 33 with Sunny's grandpa and his friends was inspired by our grandfather and the people he knew in his retirement community. Are there people in your life who would inspire characters in your own writing?

### CONFLICT

Sunny is having a hard time in this book dealing with her older brother. Do you have conflicts in your life that leave you wondering about what to do? Sometimes writing it on the page can help you to sort it out.

### DETAILS

On page 93, Sunny is dazzled by all the food choices at the restaurant. This was inspired by a cafeteria-restaurant from our childhood. What are some details in your life that would give color to the story? Favorite foods? Music? Clothes?

**Have fun sharing your own story!**

COMING FALL 2019!

## Quiz: Which Dragonet Are You?

### 1. If you could live anywhere, where would you live?

- A lovely, muddy swamp.
- By the ocean. I love to swim.
- As long as it has a library, I'm happy.
- Somewhere hot—a desert even!
- Somewhere tropical, humid, and damp.

### 2. You're facing a hostile dragon. What do you do?

- Talk it out. I'll fight if I need to, but I'd rather not.
- Attack! No one's getting past me!
- Hide! I'm a thinker, not a fighter.
- Can't we be friends instead?
- Most don't even bother to try to attack me.

### 3. What's your favorite color?

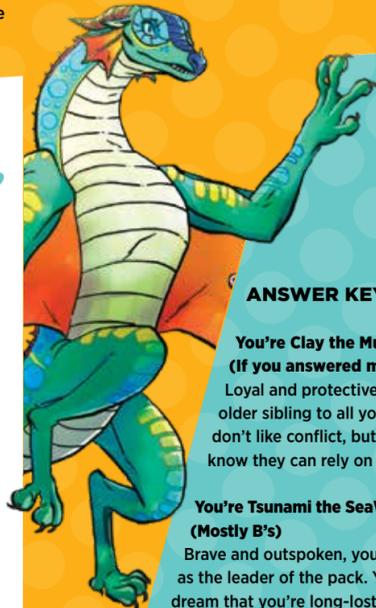

- Amber, brown, or other earth tones.
- Dark blues and greens.
- Dark purple and black.
- Pale gold or yellow.
- It depends on my mood.

### 4. Your greatest fear is:

- Hurting the ones I love.
- Getting lost.
- Not being smart enough.
- My friends not getting along.
- No one wanting me around.

### 5. Your friends know they can always count on you to:

- Be there.
- Lead the way.
- Know the answer.
- Cheer them up.
- Surprise them.

### ANSWER KEY

#### You're Clay the MudWing (If you answered mostly A's)

Loyal and protective, you act like an older sibling to all your friends. You don't like conflict, but your friends know they can rely on you.

#### You're Tsunami the SeaWing (Mostly B's)

Brave and outspoken, you see yourself as the leader of the pack. You also like to dream that you're long-lost royalty.

#### You're Starflight the NightWing (Mostly C's)

With your snout often stuck in a scroll, you're a brainy one. You take your lessons very seriously, and would rather rely on your mind than your claws.

#### You're Sunny the SandWing (Mostly D's)

Beloved for your kindness and cheer, you're a true friend to all and can charm even the grumpiest of dragons.

#### You're Glory the RainWing (Mostly E's)

People tend to underestimate you, but in reality you're smart, strong, and very capable.
